**February 4, & February 5, 2012-- 5<sup>th</sup> grade boys tournament – TIMES TO BE SCHEDULED AT A LATER DATE.**

**Dear Parents,**

**Please make sure that Rodney Davis has a phone number to reach you just in case of a game cancellation due to weather or some other unforeseen emergency. We have tried not to schedule when your child is playing but if you are scheduled at a time when your child is playing, you have several options---** 1. Trade shifts with someone 2. Work between games and help at half time 3. Work the shift anyway. It is up to you.

**If you can not work at an assigned time, it is your responsibility to find a replacement to work for you. We depend on you to be there to make the games run smoothly.**

**There are a lot of home games this year so that will mean working more shifts. There was only 1 family who signed up to help with concessions for school credit so it is up to basketball parents to fill the shifts.**

**We will try to send home a list of phone numbers or use your school directory to call a replacement or to switch shifts.**

**Please arrive on time for scheduled shifts and make sure if last shift to help with clean up**

**Thanks**
