Mission Statement

As a Catholic educational community, St. Mary School is created, supported and nurtured by the parish. St. Mary School's mission is to provide an environment where each student can discover personally the presence and message of God. Working together parents, faculty and the parish community promote academic excellence, the teaching of Christian values and the spiritual growth of each child.

Vision Statement

The parents, faculty, and the parish community supporting St. Mary School endeavor to prepare students for commitment to their Catholic faith, future academic success, and responsible citizenship.

All Families Must:

- 1) Practice your faith by attending services at your place of worship.
- 2) Participate fully and regularly in your church's programs.
- 3) Faithfully contribute to the support of your church.
- 4) Faithfully pay tuition to St. Mary School.
- 5) Support the school in fundraising projects and sales or through financial contribution.
- 6) Volunteer your time by fulfilling tasks which assist in the mission of St. Mary School.
- 7) Attend one session of Protecting God's Children, completing all required paperwork for background checks if your volunteerism puts you in contact with students.

OUR SUCCESS DEPENDS ON YOU!

Parent Fundraising

The current cost per year to educate a child at St. Mary School is \$5600.

Since tuition pays only part of the cost, families are required to assist in fundraising to help cover the difference. Fundraising helps keep tuition at St. Mary School affordable. Understanding that it costs approximately \$5600 per child to operate our school underscores the importance of fundraising for St. Mary School's budget. Planning and executing all fundraising events require parental involvement for success.

As part of the Parent Contract, it is mandatory for each family to generate a prescribed amount of income for the school through fundraising by April 1 of each year.

2020-2021 Family Fundraising Quota:	1 st child = \$350
	2 nd child = \$150
	3 rd child = \$150

There is no additional quota for families with 4 or more children enrolled.

This quota can be met in the following ways:

Tax Deductible Direct Donation – Payment must be received by April 1. If quota is paid in full, no other fundraising will be required.

Fall Fundraiser – Each family will receive fundraising credit for the dollar amount of raffle tickets sold by a given deadline. A \$20 ticket sold is a fundraising credit of \$20. Selling 3 tickets for \$50 is a fundraising credit of \$50.

Poinsettia Fundraiser – Each family will receive a \$5.50 fundraising credit for every poinsettia they sell by a given deadline.

Pepsi Fundraiser – Each family will receive a \$4.00 fundraising credit for every case they sell by a given deadline.

The fundraising obligation can be completed using a combination of the options listed above. If a family's quota is not met by April 1, a payment for the difference will be due on that date.

Parent Service

Our children's education is enhanced by the partnership between home, school, and the parish. Service requirements provide our parents the opportunity to demonstrate to our children how important they and their school are to us. When parents are involved in the education of their children, good things happen. Parental service also keeps operating costs down, which results in more affordable tuition.

It is expected that all St. Mary School Parents will:

- Work at the St. Mary's Parish Fiesta or donate needed items
- Work one shift per enrolled child at a Lenten Fish Fry (**Grades 1-4 only**)
- Work at the Chili Supper on Family Night (**Grade 5 only**)
- Attend a minimum of two Booster Club Meetings

Parents will be required to pay \$50 for not working at the Fiesta or Fish Fry and \$25 for missing more than one Booster Club Meeting.

Each family is required to earn a minimum of four (4) service credits by selecting opportunities to assist in the mission of St. Mary School. Families must pay \$100 for each volunteer credit not fulfilled by May 1.

Mark the number in front of your choices from the lists that follow.
