Check the weather! It fluctuates throughout the day. Please make sure your child is wearing a warm coat, gloves, & hat or hood each morning. We try to have outdoor recess as much as possible!

Coats and Outside:

To be consistent

1. Students need to have a crew neck, hoodie, light jacket, 1/4 zip on for outside play if the temperature is 50 or below
2. If the temperature is below 40 then students need to have a coat to play outside
3. Temperatures above 50— students can decide if they want to wear a sweatshirt/jacket etc.
