# SNOW DAY BINGO 5TH GRADE

In the event of a snow day or emergency day, complete 4-5 activities to make a Bingo either up and down, left to right, diagonally, or 4 corners. If we miss two days, complete 2 separate Bingos. Parents, please highlight and initial the activities your child completes.

Reading	English & Spelling	Social Studies or Science	Religion	Math
<i>Build a reading igloo! Gather a few snacks, grab your book, and crawl inside. Read for at least 30 minutes.</i>	Make a list of 20 common nouns that you see in your home or outside.	<p>S.S.: Compare and contrast two places on a map or globe.</p> <p>Sci.: Compare how different liquids (colored water, oil) melt snow.</p>	Practice this quarter's prayers for 20 minutes.	<b>Play a board game with your family. Write down 3 ways math was used during the game.</b>
Snuggle up with someone or something special! Read your favorite story together.	Write a short story that includes at least 5 spelling words.	<p>S.S.: Create a map of your neighborhood, adding a fun winter theme (e.g., snow forts, sledding hills).</p> <p>Sci.: See how salt affects snow/ice melting speed.</p>	<b>Find 3 different Bible verses about kindness and write them down.</b>	Practice multiplication facts for 20 minutes using playing cards, dice, or one of our educational math websites.
Enjoy a winter or holiday-themed movie with your family. Name the characters, setting, problem, and solution.	<b>Practice spelling words by writing them in the snow or in shaving cream!</b>	<b>FREE SPACE</b>	<i>Create a diorama using stuffed animals or Legos to reenact your favorite Bible story, then perform it for your family!</i>	Enjoy a family (math) game night! Practice math skills as you go.
Write a book review for the book you're currently reading. Would you recommend it to a friend? Why or why not?	<i>Write 2 of each type of sentence that we've learned about this year: declarative, interrogative, imperative, and exclamatory.</i>	<p>S.S.: Draw a picture of a famous historical or biblical event and write a sentence about it.</p> <p>Sci.: Observe and draw unique snowflake patterns.</p>	<b>Research a saint and write 3 facts about their life.</b>	Spend some time in the kitchen with your family. Follow a recipe to bake something yummy for your family!
<b>Create a diorama of a scene from a story we've read this year using stuffed animals, Legos, or Play-Doh, and explain the scene to a parent.</b>	Complete activities on Kids A to Z while sitting in a fort.	<p>S.S.: Write a short biography of a historical figure.</p> <p>Sci.: Compare how much snow fits in a cup versus water.</p>	<b>Write a prayer or reflection about gratitude for snowy days.</b>	Make up a snowball-themed math word problem for someone to solve.
