

Dear parents,

In the event of a snow day or emergency day, your child will find a Snow Day Bingo card in their binder. To complete the Bingo card, your child should finish 4-5 activities, aiming to create a Bingo either vertically, horizontally, diagonally, or by filling in the 4 corners.

If we miss two days, your child will need to complete two separate Bingos.

Please highlight and initial the activities your child completes.

When we return to school after a snow day, your child should bring the completed Snow Day Bingo card back. Please keep the card in your child's binder until the end of the school year. I will replace cards as needed.

In addition to the BINGO, please have your child check Google Classroom for daily assignments listed under Snow Day.

Ms. Hughes
