### Coats and Outside:

1. Students need to have a crew neck, hoodie, light jacket, 1/4 zip on for outside play if the temperature is 50 or below
2. If the temperature is below 40 then students need to have a coat to play outside
3. Temperatures above 50— students can decide if they want to wear a sweatshirt/jacket etc.
4. Children without a proper coat will not be allowed to go to outdoor recess.
