Spotlight on Our Studies

- ❑ In religion, we learned that we can use music to praise God. We played instruments and sang to praise Him
- ❑ In math, we learned to find numbers and objects that are before, between, and after them.
- ❑ Mr. C and Mr. H wanted to get a ride on the Chooey Cherry Choo Choo but they missed the train. They finally caught up with it and found a new sound, the /ch/ sound. Each child drew a picture of an object that begins with /ch/.
- ❑ We continued finding an egg each day that has an object inside it that will help us to learn about what happened to Jesus during the week before Easter Sunday.
