Important Events Ahead

Enjoy this [video](#) showcasing the highlights of our 6th grade year so far!

The field trip to the Christian County Coal Museum was a success! The 6th graders were so well behaved, and they asked excellent questions! We learned so much together!

4th quarter?!? How did we get here so fast? Be aware that the last quarter is filled with lots of special events just for 6th graders, so there will be fewer opportunities to earn grades. Therefore, encourage your children to do their VERY BEST on every assignment! I am currently working on special April and May calendars just for 6th grade so that you are aware of dress codes for field trips and whether or not brought lunches are needed.

Dress down days next week to support the Fall Festival! Send \$1 for each day of participation. Please send the money in an envelope labeled with your child's name and the words, "Dress Down Days." Students are required to wear school uniform bottoms with each dress down top theme.

Check the weather! It fluctuates throughout the day. Please make sure your child is wearing a warm coat, gloves, & hat or hood each morning. We try to have outdoor recess as much as possible!

Coats and Outside:

1. Students need to have a crew neck, hoodie, light jacket, 1/4 zip on for outside play if the temperature is 50 or below
2. If the temperature is below 40 then students need to have a coat to play outside
3. Temperatures above 50— students can decide if they want to wear a sweatshirt/jacket etc.
4. Children without a proper coat will not be allowed to go to outdoor recess.
