May 6, 2026

## Next Week

Religion-Sacraments

All 4<sup>th</sup> quarter prayers have been completed!

English-Chapter 11 test on Monday

Math-Perimeter, Fractions

Reading-We'll continue to work on general comprehension skills.

## Field Day

I still have to do lunch count on the 15th for Field Day. If your child is a brought from home lunch, send it with them when come at 8:05. We need an accurate count for lunches that need to be prepared by lunchroom staff. I also have to be able to figure out who needs IOUs from the office. Without lunches on site, that makes that process difficult.

## Teacher Appreciation

Thank you to anyone who donated money, sent a gift, or helped with Teacher Appreciation Week in any way.

## Kids A-Z

The test on Friday, the 8<sup>th</sup>, will be the last one for the 4<sup>th</sup> quarter.
